IT'S GREAT TO BE A LINCOLN JAYCEE!

Why did you join the Jaycees? That is a question we are asked so often. The number one reason I am told is people join the Jaycees to meet new people. Is that why you joined or do you consider that a perk of belonging to this organization? There are a lot of things I love about being a Jaycee but when it boils right down to it the number one reason I continue to be a Jaycee today is to meet new people. Right now I have met people from all over the U.S. and a few other countries. However, my best friends are Nebraska Jaycees and where did I meet most of these fellow Jaycees? Conventions of course! Conventions are a great way to share ideas and meet Jaycees from all across Nebraska. Conventions are the time we celebrate our hard work and brag about our accomplishments to fellow Jaycees around the state.

I want to encourage each of you to attend First Triad Convention. Even if you don't go for the whole convention come for the lunch or the banquet and see how great the Nebraska Jaycee organization is. Truly, this is a wonderful opportunity for Lincoln to host a conven-

tion and a great chance for each one of you to come and check out the festivities even if it is only for a couple hours on Saturday or on Friday night. Meet some new people and celebrate how awesome it is to be a Jaycee, especially a Lincoln Jaycee.

The Lincoln Jaycees are truly the best chapter in the state of Nebraska right now and I have the Parade e-mail to prove it. After the month of March we are **number one!** Congratulations to everyone on all your hard work. This is truly something special. The hard work and dedication you have given the Lincoln Jaycees is unparalleled. I love the team effort we have all put forth towards our goals for this year. I am so proud to be your President and can't wait for all of us to celebrate our great accomplishments in June at convention!

I would also like to announce that Lea Alderman has been assigned to the office of Membership and Growth Vice President for the Lincoln Jaycees. Lea has proved herself as an excellent Director in the first three months of the year. I am confident Lea will continue to be a great source of excitement for our chapter and to continue to make sure more people in Lincoln discover how great our chapter is.

Community Development . . .

Lincoln Jaycee's, can you believe it's May already? This year is flying by and our Community group has been busy! WE have two more months until our BIGGEST community project of the year, and that is the Fourth of July! We need everyone to help out at Holmes Park that day – trust me it's a fun time! AND afterwards, party at my house! So mark your calendars for July 4! Please check with Brad Cornelius to see what you can do for the city of Lincoln for the Fourth of July!

April was a busy month for the Community Group! Thank you for all those who brought your cleaning supplies! These will be donated to the Lincoln Food Bank! I appreciate your thoughtfulness! Next month we are collecting puppy and kitty supplies for the Humane Society, so don't forget to bring the supplies to GMM!

A HUGE thank you goes to Joely Wesch and Quince Michl for chairing two very successful projects! Both of them did a great job! I GREATLY appreciate your help!!!

May is a very busy month for the Lincoln Jaycees! WE start off the month with two projects, which are being chaired by Mike Harris and Carol Hiltner. (Thank you so much for chairing both projects!) Jaycee/Kahoe Park Clean-Up is May 4 at 9 a.m. We will be cleaning the park and maybe planting things! May 4th is also the date for the Pasta-Thon! We are helping out by serving pasta to the marathon participants and their families. This is a fun project! If you help out at the Pasta-Thon, you will receive a t-shirt!

The Matt Talbot Kitchen Project is on Mother's Day. We are helping out a group of mothers and grandmothers who would normally be serving the homeless on that day, and giving them the day off! The Lincoln Jaycees will be serving the homeless, and I've done this a few times, and it is a great project! Christie Eurek is chairing this project, please see her if you have any questions!

For all three of the projects (Jaycee/Kahoe Park Clean-UP, Pasta-Thon and Matt Talbot Kitchen) WE need helpers! Please help us with these great community projects!

Have you ever been to the capital? Deirdre Smith will be chairing the Capital Tour on May 18 at 10 a.m.. I am looking forward to the tour myself! Please join me

at the tour!

I have several projects that I am looking forward to participating in June, however I need people to help me plan these projects. They are fun and easy projects!!! SUCH as the Kid's Fishing project, HOBY, Softball Concessions, and a fun community college! If anyone is interested in participating, please come find me!

June 28th is the Relay for Life. Janet Oenbring is helping me with this project, and let me tell you how much this project means to me! My goal is to raise more money for the Cancer Society than we did last year. Right now as a team we have \$125. If you'd like to sponsor one of the relay participants, please see me and I'll introduce you to a member of the team. If you'd like to participate, please see Janet!

I want to thank those who attended the community projects in April. My goal is still to see each one of your smiling faces at a project! So far I've seen some people who don't normally go to community projects! THANK YOU! Keep up the good work!

Don't forget the Fourth of July!

Don't forget the Pull-Tab Challenge!

Have a Happy May!

HELP RAISE SOME FUNDS

Hi, how is your spring going? So far the weather has been nice, and there are a lot of holidays and special occasions coming up.

I'm pleased to announce that Avon Products, Inc. has an opportunity that we can take advantage of. Some of you have already tried it. There are certain flyers and brochures that an organi-

zation can use to raise funds.

In our first attempt at this we chose to target the funds toward the Jaycee Kahoa Park. We have used four different flyers to sell inspirational gift items and basic Avon favorites. The Lincoln Jaycees get back 30%! Our goal is to raise \$500 by May 1st. This is something you can do during the workweek by asking your coworkers, or on the weekend when you see friends and relatives.

If you don't have the flyers, email me and I'll meet up with you. Please make a copy of your filled out order forms, and turn in the orders and checks Wed., May 1st, at GMM. It is important that each order is paid for in advance. Checks made out to the Lincoln Jaycees or cash are preferred.

About two weeks later your orders will be in and I'll be in touch so you can get them delivered to your customers.

We may do more of these in the future. New flyers will be available. If there is a project you want to target, let me know. Thank you for all of your time and support! Prizes will be awarded to the top 20 fund raisers!

Making Memories...

One of my memories from my childhood was about our State Capitol. I remember touring the State Capitol when I was in grade school. I also remember lying on the rotunda floor, so my little neck wouldn't hurt looking at the wonderful artwork on the ceiling. I also remember when relatives came to visit we would take them for the ceremonial picture and/or tours of one of the most unique buildings in our state.

Today, I am working in the State Capitol. On a daily basis, I see groups both young and old learning about one of the most important buildings in our State. There is so much to see and enjoy in our State Capitol. I would like to extend an invitation for you to bring your family and friends for a tour of Nebraska's State Capitol and make some memories of your own.

The Nebraska State Capitol Tour is scheduled for Saturday, May 18, 2002. We will meet inside the North end of the Capitol and begin our tour at 9:45 a.m. We will try to squeeze into the tour a run through the Governor's Office as well as learn about all of the historic and unique mosaics, bronze statues, and artwork within the building. This is an event for all ages, young and old. Come on down! Hope to see you there.

Convention Is Near

The 1st triad convention is getting near and not only is Lincoln the host chapter but we also want to show the rest of the state that we're the **most excited chapter**.

You can help us do that by wearing your "**Trust us We're Fun**" chapter shirt. It's OK if you don't have one of these cool shirts because there is still time for you to order one. I will be taking orders and collecting money at the **May 1st GMM**. If you are unable to attend the GMM and would like to order a shirt, you may do so by sending me your check with your shirt size. All mail in orders need to be to me by May 2nd.

The shirt is forest green with cream letters and is only **\$10.00**. Please make your check payable to the Lincoln Jaycees. I'll need to place the order the day after GMM to insure that the shirts will be available in time for the convention. You don't want to be the only one without a cool "Trust us We're Fun" shirt, order yours today.

WHAT'S THAT I HEAR?

Spring season in Nebraska. You never know what to expect. This year has definitely been warm and windy. Have you heard that whistling sound when you step outside. Why, it say's, "Get out and plan some great and unique projects with your fellow Jaycee members this year".

Members excited about THEIR project have made dreams come true. YOU can make a difference in our community and in yourself by letting your fellow Lincoln Jaycee friends know what interests you.

Why not give Kim or any of the vice presidents a call (or e-mail) and let us know what YOU are interested in make happen.

I would like to thank our 2002 Chairperson of the Board, Lisa Lewis, for organizing a fun and entertaining Mixing It Up last month.

I also have to thank Rachel Rezabek and Janet Oenbring for putting up with all the adjustments with project dates.

Finally, I know there's numerous members who enjoy sand volleyball. We sure could use someone to step up as team captain. If you are looking for fun with little responsibility, this is the project for you.

CHURCH VISITATION

Spring is in the air and we're beginning to see new growth from the trees, plants and flowers all around us.

As we reflect on this natural beauty, it is also a good opportunity to renew our faith in God. Please join me at our next church visitation to be held on Sunday, May 19, 10:30 a.m. at St. Paul United Methodist Church, 1144 "M" Street.

Deirdre Smith is a member of this congregation and has graciously invited us to worship with her. We look forward to you joining us in May!!

God Bless Us, Everyone!

YOU CAN COMPETE!!

Ever wonder what makes the Jaycees so exciting compared to other civic organizations? One thing that sets us apart is the ID Competitions.

This is an opportunity to develop your personal skills as well as learning some things about yourself. Every area involves something that most of us do every day. Speaking, Write-Up, Jaycee Jeopardy, Debate, and Resume Competitions.

Competitors Training is an orientation to what each area involves and how you can be better prepared to compete. The Lincoln Jaycees have strong tradition of having great competitors that come home with the trophy.

Your next opportunity to compete will be in our backyard the last weekend of May. If you want to have an opportunity to personally improve yourself and possibly walk home with some "hardware" from the First Triad State Convention, then you need to be at this project!

WHEN?: THURSDAY, MAY 16, 2002

Management Development . . .

Get Active!!

The weather's warm and it's time for you to get active – in your chapter, in your community, in your overall life! And as always, your management team is working hard to provide you with some opportunities for getting active. Here are the highlights:

Habitat for the Haunted – A HUGE thank you goes out to Dave Stava for chairing this – our own rehabilitation efforts of the second floor. Thanks also to all those who turned out to help us – **Steve Strong, Dennis Henry, Lisa Lewis, Lea Alderman, Chris Peters, Quince Michl, Amy Sall, Jeff Johnson, Dave Spohr, Rich Geschwender, Tina Schrader, Alex Lewis and Robert Rogman.** Special thanks go to **Sharon** from the State of Nebraska, **Dennis Stava** and **Rose Marie Stava** who also lent us a hand.

The wall is down, some fresh paint is up, the store-room is clean and we are looking fine! There are a few odds and ends left to do, but make sure to stop down at the Haunted House and check it out. Missed everything? Contact me or attend the next General Membership Meeting (GMM) to find out when the next workday is scheduled.

GMMs – Our new location at the Blue Cactus is GREAT! Join us on **Wednesday, May 1**, for a great speaker and a look at what's going on this month.

Network International Basketball Game – Chairperson **Lisa Lewis** has put together a GREAT opportunity for us in terms of raising funds and raising public awareness of our chapter. See Lisa's article for more details and join up on **Friday, May 3**, for a great time!

The Lincoln Marathon Pastathon – I'm helping the Lincoln Track Club with their pre-race **Pastathon** event on **Saturday, May 4**, and our Community Development folks are helping me put together workers to help with this event. Give me a call at 474-7501 or 499-7746 if you are interested in helping.

The May/June State Convention/Nebraska Jaycee's 75th Anniversary Celebration – That's

right – A STATE CONVENTION HERE IN LINCOLN!!! You have no excuse NOT to join us for some learning, some fun and some celebration of the past 75 years of Nebraska Jaycee accomplishments. Plus, we are gonna sell some cookbooks and do some other fun activities. Co-chairs **Jill Marshall** and **Melissa Sanny** have done an incredible job on this!

Our Kahoa Park Avon Fundraiser – This is still going on. Just take a catalog to work or friends and see if there is anything they are interested in. We make some funds off each purchase that is made! For more details, see chairperson **Melissa Sanny.**

UPCOMING EVENTS:

In addition to what is already on the calendar, we have some GREAT upcoming activities planned. Here's a highlight of future events:

Personality Plus – Stay tuned for more details on this upcoming project that will help you learn more about yourself and your abilities!

Eagle Raceway/World of Outlaws Fundraiser – We have a chance to raise some money for the chapter by doing some ushering duties on **June 20, 21 and 22.** More details will be provided at the GMM, or by contacting me at 474-7501 or 499-7746.

Conspicuous Consumption – Should you buy extended warranties on new products? How can you get the best deal on big (or small) purchases? Learn how to comparison shop and be an informed consumer.

Once again – hope to see each of you at one of these events. Got a project idea for the management area? Your management team can help you make it happen! Contact **Director Tina Schrader** or myself – we can help you make this happen!

We Believe:

That faith in God gives meaning
 And purpose to human life;
 That the brotherhood of man
 Transcends the sovereignty of nations;
 That economic justice can best be won
 By free men through free enterprise;
 That government should be of laws
 Rather than of man;
 That earth's great treasure
 Lies in **HUMAN PERSONALITY**;
 And the service to humanity
 Is the best work of life.
