

The

Focal Point

October 2003

Wow, what a year! Can you believe that it's October already? The Lincoln Jaycees have done so much this year. I want to thank each of you for your hard work.!

October brings one of our biggest projects of the year, the Haunted House. Many of us think of the Haunted House as a way we make money, but it is so much more than that. October is one of the Lincoln Jaycees biggest membership months thanks to the Haunted House. I know that Brad will be stressing this, but it can't be said enough that the house needs manpower. This gives us as Jaycees a chance to invite our non-jaycee friends down to help us out and get a sense of what the Jaycees do for Lincoln. Let's keep October our biggest month for new members!

Haunted House Concessions

As a convenience to our members, each evening that the Haunted House is running, we will be providing meals at very reasonable prices upstairs at concessions. That way you won't have to rush home, eat quick, and head to HH, you can just bring HH clothes with you, relax at the House after work and have supper, then play...I mean, WORK the Haunted House!

If your schedule isn't going to allow you to be able to work the evenings the house is open but you'd still like to contribute, we'd LOVE to have some other people help with home cooked meals (chili, casseroles, ghoulish, etc.). You can cook it at your convenience, get them to one of the committee and they'll take it down to the House.

To volunteer to work concessions or donate food, please contact Christie Eureka at 484-7351.

ELECTIONS!!!

Elections will be held Thursday November 6, 2003 at 6:30 p.m. at the Haunted House building (126 N 16th St). Nominations will be taken at the October General Membership meeting. You can nominate someone or yourself.

We will be taking nominations for the director offices, Programming Vice Presidents and President.

I encourage you all to consider stepping up to be on the great board of directors and have a ton of fun helping make the Lincoln Jaycees a great organization.

If you have any questions at all please call me at 464-7389.
